

**Miroslaw Zielinski**  
**President, Science & Innovation**

Mr. Zielinski became President, Science & Innovation in January 2018.

Mr. Zielinski joined Philip Morris International as a merchandiser in 1991 in his native Poland. He progressed through a number of senior sales and marketing positions at Philip Morris Polska before moving to Kiev, where he was appointed Managing Director of PMI's Ukrainian affiliate in 1999.

In 2002 he became Managing Director, Worldwide Duty Free and served as President, Latin America & Canada from April 2003 until March 2010, when he was named President, Eastern Europe, Middle East & Africa Region and PMI Duty Free. In July 2015 Mr. Zielinski was appointed President, Reduced-Risk Products.

Mr. Zielinski has a master's degree in economy and foreign trade from the Warsaw School of Statistics and Economics.
